

Highlights

YEAR:

2005

PROJECT:

Asian Games Village

DESCRIPTION:

Sigma Paints Qatar was awarded the prestigious Hamad Medical City/Asiad Village Accommodation project (Paint value QR 3 million). The buildings were initially designed to accommodate the athletes taking part in the 2006 Asian Olympic Games and were to be used later as apartments to house Hamad Medical Corporation's staff.

Sigma Paints Qatar provided initial onsite training to the painters to ensure that the finish they achieved met the client's exacting demands. Regular inspection maintained the high standard of finish.

Supplies were arranged by road trailer directly from the Sigma factory in Dammam to the project site ensuring a continuous and smooth flow of material to meet the tightly controlled deadlines.
