

YEAR:

2008 - 2009

PROJECT:

Pearl Qatar

DESCRIPTION:

Spanning across 4 million square meters with luxury Mediterranean style beachfront villas, beautiful landscaped gardens and excellent skyscrapers, Pearl Qatar is one of the most prestigious landmarks in the Middle East and a quite remarkable, luxurious residential construction project in Qatar.

Sigma Paints has successfully supplied its decorative paints and floor coatings to over 20 of the 25 or so towers and buildings currently under construction in this amazing man made island.

To name a few of the contractors involved: Al Arab, CDC, Afrina, AFCO, CAT International and MAN enterprises are some of the customers buying Sigma paints for their projects in Pearl Island Qatar.
